When ppl tweet generic relatable stuff, I can't relate.
insert generic tweet
It's sad some people really don't have a life and tweet
generic things like 'i can't read the time anymore
in the sky because it is so dark"
When people tweet the most generic stuff and think it's so deep,
it makes my lymph nodes swell
if I see one more generic recycled tweet i will do absolutely
nothing about it except be mildly annoyed

if I complain about generic tweets does that make this
a generic tweet

Generic yet relatable tweet that
you feel compelled to like and retweet.
Generic tweet about realness,
keeping it real
and other silly optimistic thoughts
Generic tweet about being a good person,
followed by reason you should do it.
generic tweet about how much I hate my life
generic tweet about life

generic cold tweet
Generic it's cold tweet
generic depression tweet
generic tweet: can I marry pasta
*generic sad tweet about the negative emotions
I feel but won't actually be productive about fixing*
Generic tweet about how I want to die due to random small
situation that's easily fixed by I'm too lazy to care
Another generic "I hate where I live
and I hate how my life is going" tweet
Generic sad sub tweet about being sad and hurt lmao
here's a generic tweet about my life that
i think someone will care about:
I forgot to eat today
Insert generic attention seeking tweet/low key cry for help here

generic feelings tweet
inserts a generic tweet about the feels
Generic thankful for all my friends tweet,
even though collectively as a group
we're the worst people on planet earth
Just a generic tweet; people change up on you fast.
generic tweet about how i have no friends
fair warning whenever i see a generic tweet from a friend
i will automatically assume its about me
Do you ever see such a generic & overused tweet
that just makes u wanna take a nap after you read it

*generic "bored" tweet
[insert generic sadly tweet]
Generic wish for death tweet

*Post generic "Who wants to smoke weed later" tweet
Generic dank tweet
-generic tweet complaining about people
that are complaining about people tweeting generic 4/20 tweets -
I sexually identify as a generic 420 tweet
Ya mcm tweeting some generic 4/20 tweet today
Generic tweet. Post photos of weed. Post status about edibles.
Notices when time is at 420. (Am I cool yet?)
As generic as this tweet is,
I really do just need a blunt and some conversation rn

Generic tweet so I have *something* written here
I had something very specific I was going to tweet
but now I can't remember it so here is this generic tweet instead:
'today is a thursday'
Generic tweet about how small dogs take up the whole bed
generic boring tweet about garlic bread
generic wind tweet
Generic tweet about faster horses

[generic 'fuck everything for five minutes] tweet]

Generic new year new me tweet..
or I could write something really reflective…
I have a really good feeling about 2017 #generictweet
Generic tweet but I actually am so happy to be starting
a new year with the people I have around me right now
Delete that generic 2016/17 change yourself/friends
tweet in your drafts
Generic New Years Day tweet, but I genuinely think I'm dying
The amount of people that are about to tweet
a generic happy New Years and feel like it was important
gives me existential anxiety
insert generic happy new year tweet here
generic tweet about how i want it to be a year from now
and also how much i miss my friends

Generic tweet to leave a digital footprint of my existence.
generic tweet about a year lol
generic bisexual rant tweet
generic bostonian tweet
Generic ass tweet I could've kept that to myself
Here's a generic tweet about me being upset by something
that I can't talk about specifically on social media.
Generic tweet about something going on in personal life
 but vague enough for no one to understand
insert generic tweet that you probably won't even read

Generic "enjoy tomorrow" tweet
I need less of some things, and more of others.
#generictweet #stilltrue
generic tweet about feeling motivated to work harder and improve!!!
Actually mean it this time!?
Generic easily relatable tweet here…Hopefully that give you comfort
Im a leave y'all with a nice clean generic tweet
[Insert generic goodnight tweet here]
